A note from Valerie and Sean:

Dear families of St. Patrick Youth,

Thank you for an amazing year of SPY and Religious Education! We are humbled and grateful to have spent this time with you and your families. We want to say a special thank you to our Catechists and Youth Ministers. They dedicated many hours and days into teaching your children and inspiring them about the faith. This summer, we invite you to stay tuned with our summer calendar which will be available via Flocknote (email or text), our Facebook page, and website. Summer activities include VBS, community service projects, teen rafting, and more! We also encourage any teens who will be freshman-seniors, next year, to fundraise this summer for NCYC! More info will be sent out soon. Also, as for me (Valerie), my husband and I are expecting a baby girl in October! We will send out more information regarding Fall Registration and program director as the time approaches. Thank you again for a wonderful year. We will continue to hold you in prayer! Yours In Christ, Valerie and Sean
